

myFM Celebration of Life Day a Success!

Since 2004, 96.1 myFM has been a partner in the Celebration of Life Dance. It started as a night to celebrate women beating cancer, and quickly grew into an important fundraiser for the Renfrew Victoria Hospital and Hospice Renfrew. In the first 8 years, this event raised more than \$100,000.

So this year, to celebrate the 9th anniversary of the event, myFM made it “Celebration of Life Day”. Things kicked off with a live morning show broadcast and breakfast that was packed all morning long. The broadcast featured interviews with patients and staff of the Hospital and Hospice Renfrew. The afternoon show was broadcast LIVE from the Renfrew Armories and included live music and interviews.

The day long celebrations were a huge success raising \$27,300 for the Hospital and Hospice Renfrew. We can’t wait to make the 10th Annual event even bigger and better!
