

HELPING GRANT 'CHRISTMAS WISHES' WITH AIKEN CHEV BUICK GMC

DECEMBER 2014

Over 250 less fortunate children in Norfolk County will have presents under the tree this year thanks to Aitken Chevrolet Buick GMC and 98.9 myFM.

The 11 year partnership between Paul and Linda Cripps at Aitken and myFM exists to ensure children in their own homes, but under the care of the Children's Aid Society of Haldimand Norfolk will feel the magic of Christmas and have a gift to unwrap.

For the past 4 weeks myFM has been putting the call out to our listeners to sponsor a child's gift and the community has answered that call!

Owners of Aitken Chevrolet Buick GMC Paul and Linda Cripps say "I really want to thank the people of Norfolk County who have really come together and helped make this program successful..."

Today, myFM Staff, along with representatives from Aitken Motors and the Children's Aid Society FILLED three vehicles with gifts to be delivered to area children. General Manager Alan Duthie says "the need really hits home when you see these vehicles filled with gifts. It's wonderful to know that we've had this opportunity to work with our tremendous community and help these kids who otherwise may not have a Merry Christmas".

CAS workers will be delivering the gifts over the next few days just in time to be put under the tree for Christmas.
