

Appendix 4G
Documentation supporting the availability of
the proposed transmitter site

February 25, 2015

My Broadcasting Corporation
321B Raglan St. S., Box 961
Renfrew, ON
K7V 4H4

Attention: Andrew Dickson

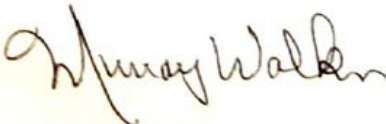

**RE: Request for space and power to install broadcasting equipment and facilities on
communications tower located at 27398 Warden Ave. (44-17-07 N 79-26-08 W)**

This Letter of Intent is issued to My Broadcasting Corporation for the purpose of obtaining a Radio Broadcasting License to serve Georgina, Ontario.

As owner of the communications tower on Warden Ave. in Georgina, Ontario, I am prepared to enter into a site sharing agreement with My Broadcasting Corporation subject to space availability on the tower, engineering qualifications and satisfactory lease arrangements.

Any occupation of the tower will be subject to the applicable Industry Canada rules and regulations as well as CRTC broadcast license agreements.

Regards,

Murray Walker

President
