

90.5 myFM Exeter-Grand Bend awarded Business of the Year

90.5 myFM Exeter-Grand Bend is basking in the excitement for being named Business of the Year by the South Huron Chamber of Commerce.

The award was presented on Tuesday March 20th at Annual General Meeting and Awards Banquet. myFM was awarded the 2012 Business of the Year for exhibiting excellence in business growth, customer service, and community leadership.

"We've been working towards this goal since the station launch in the Summer of 2009," says general manager Jeff Degraw.

"myFM and the team here are delighted to be recognized for achievements in business excellence," he says. "Being a business doesn't mean that we conduct our affairs every day to win awards. But it's encouraging when others say great things and recognize our pursuit of excellence. We couldn't be happier. We have a phenomenal team."
