

This week, the myFM SPOTLIGHT is on...

**LAURA
CONNOLLY**

So Laura...

Which myFM Station do you work for?

90.5 MyFM Exeter/Grand Bends best music mix at work, home and in the car.

What's your job?

I am an Account Executive with many different hats.

Where are you from?

I am small town Ontario. Bayfield, Goderich, Lucan, Dorchester and London. I currently call the booming metropolis of Exeter home.

What do you like best about working with myFM?

I like being in the community and working with some amazing team players all across Ontario

Answer the 10 questions below to tell your friends at myFM a little more about yourself!

1. E-books, hard copies, or magazines?

Hard copies. I'm a little tactile.

2. Where do you most want to travel, but have never been?

Machu picchu

3. What's your sign?

Sagittarius

4. The last movie that made you laugh out loud?

Totes McGotes it's gotta be : I love you man

5. Do you still have your wisdom teeth?

I have 3 of them. I am $\frac{3}{4}$ as smart as I would be with all of my wisdom teeth.

6. Favourite celebrity couple?

I don't think I have one. As soon as I like them BAM! They'll go all Hollywood and break up and I wouldn't deal with that very well.

7. If you could go back to any age - how old would you be?

9 or 10. The world was my oyster. All of my meals were made and my biggest worry was cleaning my closet and not tracking mud through the house.

8. Is there a food you can't stand?

Liver. This organs whole job is to remove toxins from our bodies and we want to eat this used up filter? Blech!!!

9. **You're going exploring! Would you rather visit the bottom of the ocean, or space?**

Interesting question. I suppose neither. If I need oxygen strapped to my back I'll pass.

10. **What's your go-to morning cereal?**

Whatever is on sale.

BONUS: Can you sing?

I can sing and I will any time if asked....but realistically it sounds like the mating call of a humpback whale.

**Thanks for shining in the spotlight,
Laura!!**
